Key Stage 2 Victorian Day

My Victorian School day

Today I was a Victorian school girl. Madam made us work hard. Hortence and Jessamine had to wear the Dunce hat. Polly, Lawrence and Frank had to sit on the floor with a book on their head. Lawrence also had to go to the head teacher and came back being pulled by the ear. I did some cross stitch and it was fun. We had to run around the yard 3 times because we did not read a poem well at all.

Today I had a Victorian School day, our teacher was very nasty, if you were bad you had to wear the dunce hat or kneel on the floor with a book on your head! Josiah and Garrett had to wear the dunce hat and three other children had to kneel.

Our teacher was really mean to us. We had to run around the playground three times but Frank fell over.

I had a very mean teacher today, but we had lots of fun. We had a poem to learn and recite but it just wasn't good enough for the teacher so she made us run round the playground 3 times. The next time we said the poem for the teacher it was much better.

Today at school our teacher was very mean to the class. I had to wear the dunce hat and Jim had to wear it too! 3 naughty people had to put a book on their heads and Rudolph was sent to the head teacher.
